# Santa's Elves and the Shoemaker

**By CBBC TV Writer and Children's Author, Ian Billings.**

With only three days left before Christmas, Mr. Klopp, has only enough leather left to make one pair of shoes. That night two cheeky elves, Bip and Bop, appear thinking they've arrived at Santa's grotto and make the leather into a splendid pair of shoes.

The next morning, Mr. Klopp awakens to discover the shoes. After selling the shoes he gives away most of the money and uses the remainder to buy more leather to make into two pairs of shoes. Bip and Bop, return and once more find the leather and begin to create.

The third night Mr. Klopp stays awake to see what's happening but scares the elves off. Mr. Klopp, fears he will be poor again. However, everything changes when a magical man in a red and white coat arrives.

With some Christmas Magic, Santa saves the workshop.

# ARMONICO CONSORT: BACH MASS IN B MINOR

*Classical*  
CONCERT  
SERIES

ARMONICO CONSORT &

BAROQUE ORCHESTRA

Director: CHRISTOPHER MONKS

Soprano: ELIN MANAHAN THOMAS

It could be argued that the work should have been titled 'Bach's Greatest Hits', for that is what Bach himself aimed to achieve with this masterpiece. Composed over the final 25 years of his life and completed just one year before he died, the Mass in B Minor is scattered with music and references that Bach considered to be his best work. For a composer who wrote so ferociously throughout his life to take such care over this work is a testament as to why musicians simply adore performing it.

# BALLET THEATRE UK PRESENT

## GISELLE

Join **Ballet Theatre UK** in one of the greatest ballets of all time, ***Giselle***.

A tragically romantic tale of a young girl who falls deeply in love, however she would soon be deceived for he was betrothed to another. Through despair and desperation the young girl kills herself as she could not live without him.

The Queen of the Wilis, along with the ghosts of young girls who die before their wedding nights, condemns the lover to dance to his death. He can only be saved by the intervention of the spirit of *Giselle* and the break of dawn which force the Wilis to flee.

## SENSE AND SENSIBILITY

### **Ballet Theatre UK**

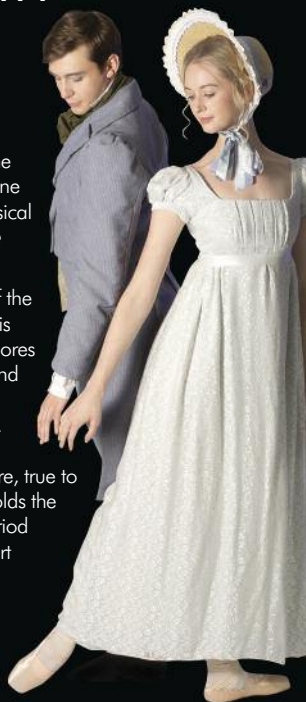

will also delve into the romantic world of Jane Austen with their classical adaptation of ***Sense and Sensibility***.

Following the lives of the Dashwood sisters, this full-length ballet explores the romantic twists and turns of society life in the late 18th century.

Set to a glorious score, true to the era, this ballet holds the essence of a true period drama combining heart wrenching pas de deux and stunning classical ballet.

Featuring striking costumes and set, inspired by iconic British artists of the era (Gainsborough/ Turner) this production promises to be a highlight of your season. *Sense and Sensibility* will leave you wondering 'When reputation is everything, how do you follow your heart?'

**The Octagon Academy** is the place to sing, dance and act with the emphasis on fun and enjoyment. We offer a range of classes including: Musical Theatre Performance, The Octagon Choir, The Octagon Tappers, Toddler and Pre-School Ballet, Street, Lyrical, Commercial and Contemporary Dance, Latin Fit, Pilates, Pure Drama, Castaway Theatre Group and The Somerset Youth Theatre.

Classes are based across our two venues The Octagon Theatre and Westlands Entertainment Venue.

Most classes run term-time with some classes continuing through the school holidays.

Participants in our classes perform regularly both at **The Octagon Theatre** and other events.

For the full class timetable and further details please visit our website:  
[octagon-theatre.co.uk/octagon-academy](http://octagon-theatre.co.uk/octagon-academy)

We want to get more boys dancing. Dance will help boys build confidence, resilience, focus and motivation. Attending regular dance classes will support them in developing social skills, friendship groups, a healthy physical and mental wellbeing, and simply make them feel happy and more engaged with learning. Dance for boys has wide reaching benefits.

The company is open to boys aged 6-14. Classes will be highly physical, fun and most importantly creative. We want to help boys find their own creative voices and collective strength. Throughout the year dancers will work with professional dance companies, have exclusive access to rehearsals, and get to meet artists at private events.

At the Octagon Theatre we are developing a Youth Dance Company which will teach both girls and boys various dance styles and choreographic techniques. Dancers will devise, create and receive multiple opportunities to perform across South Somerset. Throughout the year dancers will work with professional dance companies, have exclusive access to rehearsals, and get the opportunity to meet artists at private events.

Our Youth Dance Company is open to talented, committed, enthusiastic and motivated dancers aged 12-18. Prior dance experience is desirable; however we encourage dancers of all backgrounds to have a go as we are looking for dancers with natural flair and creativity. To join, budding dancers will be asked to attend an audition workshop. Auditions will be held annually, keep an eye on our website for more information.

For further information on our Dance Companies please contact: [Gemma.gubb@southsomerset.gov.uk](mailto:Gemma.gubb@southsomerset.gov.uk)
